

# PhD in Neural Rendering

**Warsaw University of Technology (WUT)**, in collaboration with **Microsoft Research Cambridge (MSR)**, is looking for candidates for a fully-funded 3-year PhD program focused on controllable generation of images using neural networks.

During the course of the PhD you will:

- Work on cutting-edge technology together with researchers from WUT and MSR.
- Visit the Microsoft Research lab in Cambridge.
- Publish at top-tier computer vision and machine learning conferences.
- Receive a competitive compensation of up to 12 000 PLN (~3 000 EUR) per month

The prospective PhD candidate should:

- Be a strong and independent programmer.
- Have completed a Master's degree in Computer Science or a related field.
- Have experience in machine learning or computer vision.

To apply send your CV and a motivational letter to [tomasz.trzcinski@pw.edu.pl](mailto:tomasz.trzcinski@pw.edu.pl) and [marek.kowalski@microsoft.com](mailto:marek.kowalski@microsoft.com) **before July 31, 2020.**
